The marriage between a finely orchestrated dish and beverage is an absolute.
One cannot consider one without the other.
Within a context of a restaurant, alcohol are not a means to empower but rather
a delicately honed tool to bring out the subtle hidden flavors in a dish.
Here at Raita Noda, we continually consider chemistry that the carefully selected
all beverages bring to the dish we create.
It would be our great honour to take you to a journey,
a journey in which that finely selected beverages takes the dish to another dimension.

料理とお酒の関係は非常に重要で、とても切り離して考えることのできない存在です。
レストランにおけるお酒の存在は単に酔う為の道具ではなく、料理を引き立たせる大切なパートナーです。
我々はメニューをクリエイトする際、常にお酒との相性を意識し、二つが交わることで
新たなる美味しさや楽しみ方が生まれるように考えております。
料理単体では決して味わうことのできない美味しさへ皆様をご案内することは、
我々が幸せを感じる瞬間です。些細なことでも構いません、どうぞお気軽にご相談ください。

CHAMPAGNE

Boll & Cie Collections

The house of Boll & Cie was established in 1853 and focused from the very beginning on creating high-quality champagne. After going into slumber for more than a hundred years, Boll & Cie has been revived at the beginning of the 21st century with the aim to re-establish itself as one of the leading champagne houses in Europe.

Jacques Selosse Collections

Jacques Selosse founded his eponymous estate in the 1950s and released his first vintage around a decade later. Critical acclaim arrived in the 1980s, when Jacques' son, Anselme, revolutionised production after completing his viticulture studies in Burgundy. The charismatic presence of the champagne world, first producer to receive the highest three-star rating as an RM. Anselme Selosse, Champagne which is made entirely by hand in the winery, Selosse defies convention by using a selection of yeast strains culled from his own vineyards for fermentations.
